## Come Dine With Us In Chiswick!

Sit outside when the weather's warm or cosy up inside in candle-lit splendour when you dine with us. We're open for brunch, lunch and dinner so you can have a team meeting, catch up with friends or plan a dinner a deux. We're always happy to see you!

Our downstairs dining room seats up to 30 diners, upstairs can take groups of up to 35 and there are plenty of tables outside, with heating for avid lovers of year-round *al fresco* dining.

You'll find us just by the river at Strand-on-the-Green, where the living is easy and the parking is unrestricted.

You can pop in for coffee, have a private breakfast meeting upstairs or celebrate an anniversary with us. We really are all things to all people and we like it that way.

Come and see us soon!
